Injectors - High Quality, Fully Inspected

Med Exchange International Inc, specializes in selling previously owned contrast injectors from Liebel-Flarsheim, Mallinckrodt to MEDRAD®. All injectors must pass an extensive inspection and quality control procedures prior to shipment, ensuring the customer a quality injector. Our injector technicians can install a used injector for your Lab, MRI, or CT today. Injectors can include a warrantee or be sold “as is” depending on customer needs. The porduct and brand names herein are the trademarks or registered trademarks of their respective owners. Med Exchange International, Inc. is not affiliated or sponsored by the manufacturers of the products we sell.
