

Services: Sales & Acquisition

Med Exchange offers the following two core services:

1. Sales of Quality Pre-Owned Equipment

Med Exchange offers preowned, highly reliable, effective, and affordable used radiology and imaging systems. Choose a solution from our extensive inventory of used MRI, CT Scanners, X-ray, Ultrasounds, Bone Densitometers, Cath/ Angio Labs, Mammography, Injectors, C-arms and other systems. We offer all the leading Diagnostic Imaging brands. Expect the best customer service and superb project management.

2. Acquisition of Existing Equipment

If you are looking to upgrade your existing equipment, or have equipment you wish to sell, please contact us by submitting a bid request and we will review your equipment specs and contact you directly.

Contact Med Exchange sales department at 1-800-338-1287 or submit an online quote request.
