

Med Exchange International, Inc. Hires 30 Year Imaging-Industry Sales Executive Gerry Arcuri

Agawam, Massachusetts, Feb. 7, 2011 – Med Exchange International, Inc. announces the newest member of its sales team. Gerry Arcuri joined Med Exchange International February 1, 2011 to lead the organization's Mid-Atlantic sales initiative. In this role Arcuri will be responsible for driving revenue growth while overseeing Med Exchange retail sales and marketing. With his direction, Med Exchange's sales team is committed to its consultative approach that provides solutions to meet customers's emerging and complex imaging needs. Arcuri brings real-world knowledge of customer challenges with over 30 years of imaging sales experience. He will be responsible for all diagnostic imaging modalities including: CT Scanners, MRIs, X-ray, Ultrasounds, Mammography, C-arms, Bone Densitometers and Nuclear Medicine systems. Prior to coming to Med Exchange, Arcuri worked for Toshiba America Medical Systems, Philips Medical Systems, and General Electric Medical Systems. He attended Manhattan College in New York for Health Administration.

Gerry Arcuri can be contacted at: Med Exchange International, Inc. 845-216-9613 garcuri@medexchange.com

Med Exchange International, Inc. buys and sells radiology and imaging equipment from hospitals, MRI centers, veterinarians, brokers and leasing companies throughout the world. The company was founded in 1991 and has offices in Agawam, Mass., San Diego, Calif. and Baltimore MD, and specializes in remarketing solutions for radiology centers. Med Exchange is a member of the International Association of Medical Equipment Remarketers and Servicers (IAMERS). ###
